

WACABA to Sponsor CCP Course

The Washington Area Compensation and Benefits Association (WACABA) is pleased to announce it is sponsoring the following excellent WorldatWork compensation course:

Course: The Base Pay Administration and Pay for Performance (C4)

Venue: ICF International Headquarters offices in Fairfax, Va.

Date: February 1 and 2 (Wednesday and Thursday) 2012.

WorldatWork will provide the instructor and all course materials just as they do for all the courses they offer across the U.S. Whether you are in pursuit of your CCP or just want to learn more about the basics of compensation, please get this on your calendar and plan to attend.

Course Cost:

For WorldatWork members, the cost of the 2 day course plus the final certification exam is \$1,175. As the sponsor, WACABA is able to offer the course plus exam at a 10% discount (\$1,060) for its members as well as to members of WTPF and HRA-NCA – 2 organizations we have chosen to include in this special pricing. If you are not currently a member of WACABA and would like to attend the course, joining WACABA for the annual \$100 dues will mean that your total cost (dues plus the discounted cost of the course) will still be less than the cost you would pay if you were only a member of WorldatWork, and you get the 9 WACABA 2012 programs as well - *a great deal!!!*

To ensure maximum convenience, WACABA will provide a Continental breakfast and buffet luncheon for all attendees on both days. The course will run from 8:30 AM – 5:00 PM each day with an hour for lunch.

Sign up Now:

We need a minimum of 12 attendees taking the course and exam, to be able to offer this course. If that number is not reached by 10 days before the course offering, we will notify those who have signed up at that point of the course's cancellation. We hope that is not necessary.

We have a large number of Compensation, Benefits, and General Human Resources Professionals in this area and many others who are just beginning to think of Human Resources as a career option. The quality of instruction, the cost, and the convenience of the location make this a very practical professional development opportunity. Take advantage of it or pass this announcement on to someone who you think might be interested.

To Register:

Please follow this link (or cut-and-paste the URL into your browser)
